

# PTY

# PET THAT YETI

## Biography

Pet That Yeti (PTY), is an alternative pop rock band hailing from the vibrant music scene of southeastern Kentucky. They have captivated audiences with their infectious energy and mesmerizing harmonies. Formed by four talented musicians, PTY brings a fresh and invigorating sound to the industry. Led by the dynamic vocal prowess of Olivia Miracle and John Russell, who also have contributed their lyrical talents, the band is further fueled by the rhythmic wizardry of Chris Smith on drums and lead guitar, and the solid foundation laid by Dave 'Vaughn' Dave's bass guitar. Together, they create a sonic tapestry that seamlessly blends alternative pop and rock, resulting in an unforgettable musical experience.

Beyond their musical talents, Pet That Yeti embraces the spirit of camaraderie and collaboration, fostering a strong sense of unity within the band. Their unwavering commitment to artistic growth and their collective vision has propelled them to new heights,

earning them accolades and opportunities to perform at local venues and festivals. With an unwavering drive and an uncontainable passion for their craft, Pet That Yeti continues to evolve, captivate audiences, and make waves in the local music industry. As they embark on their musical journey, PTY invites fans old and new to join them on this thrilling adventure filled with electrifying performances, infectious melodies, and an unmistakable spirit of rock and roll.
